

1. Personal Information

- **Name:** Ifrah Khanam
- **Position:** Assistant Professor
- **Department:** Electronics and telecommunications.
- **Contact Information:** Ifrahkhanam2016@gmail.com, 8010247567

2. Educational Background

- **Degrees:** M.Tech. Electronics

3. Research Interests

- **Areas of Expertise:** artificial intelligence, Machine Learning, Computer Vision, Image processing, Signal processing

4. Teaching Experience

- **Courses Taught:** Machine Learning, Artificial neural network, Digital Image Processing, Electronic device and circuits, Digital Electronics,

5. Publications and Presentations

- **Conference Papers:** Analysis of impact of Meditation on Cognitive Workload using EEG Signals

6. Miscellaneous

- **Languages:** Marathi, Hindi, English
- **Skills:** python, matlab, colab, jupyter, c, c++, Pandas, NumPy, Matplotlib, TensorFlow, Keras, Scikit-learn
